

Roadmap To GSoC

Event Details:

- **Proposed Dates:** 11th January
- **Timings:** 2:00 PM to 4:00 PM
- **Venue:** E2 Seminar Hall
- **Expected Footfall:** 100+ participants
- **Faculty Coordinator:** Dr.Shilpi Sharma

Event Overview:

Explore the world of open source in our GSoC Workshop on Open Source Contribution. Participants will gain insights into the fundamentals of contributing to open-source projects, and the workshop will culminate in a collaborative coding session, empowering students to make meaningful contributions to real-world projects.
